The CRAB Cup is RACE 2 in the Triple Crown

The Triple Crown of Charity Sailing was created in 2018 to recognize the top sailor and fundraiser for The Leukemia Cup, The CRAB Cup, and The Hospice Cup races.

Skippers must compete in all three races in order to be eligible to win the Weems & Plath Triple Crown Trophy. The races are as follows:

Annapolis Leukemia Cup Regatta - June 4

The CRAB Cup - August 20

The Hospice Cup - September 17

The calculation for the winner shall be the order of finish in each race and the amount of funds raised for each race.

The skipper with the best score in the three races and highest fundraising will be awarded the Triple Crown of Charity Sailing Trophy in October at a public event hosted by the three non-profits at Annapolis Market House downtown.

The trophy will be on display at the Eastport Yacht Club during racing season, and the future Annapolis Adaptive Boating Center in the off-season. The winning skipper and runner-up will receive "keeper" trophies from Weems & Plath.

Triple Crown Current Standings:

1. John Heintz 2 points
2. Daniel Flagler 5 points
3. Keith Mayes 6 points
4. Robert Arias 7 points
5. Kenneth Appleton 13 points
6. Brian Wiersema 16 points

CRAB looks forward to having all of these skippers competing in The CRAB Cup 2022 on August 20th.

Everyone Will Have a Chance To Win

Join the Skipper's Challenge Online Fundraising Competition

The race is on! Skipper's Challenge is the competition everyone can join in. This virtual fundraising competition is a great way to show your support for CRAB and its mission to teach sailing to people with disabilities, recovering warriors, and youth from underserved communities.

You don't have to own a boat or be a racer in the CRAB Cup to participate in the Skippers Challenge. **Everyone is invited** to participate to keep CRAB sailing programs free of charge for thousands of guests.

Register for the Skipper's Challenge Today

Adaptive Boating Center Update

CRAB contractor Brown Contracting and its team of subcontractors are making progress at the ABC. The footers have been poured and foundations will be laid soon. Most of the equipment, siding, windows, doors, and carpeting have been ordered. The project continues to face increasing supply chain costs. Your support is essential to the completion of the Adaptive Boating Center.

CRAB needs \$750,000 to meet the \$3.25M Campaign Goal. To help make the vision a reality, please contact [Debbie Daugherty, Director of Development](#)
