Staying in Touch with CRAB's Friends & Supporters

Kids Sailing Camps are in full swing amidst the normal Group Sail and Family Sail Sunday programs here at CRAB. Center of Help and the AACO Police departments held their camps at the end of July. The kids were very interested and learned a lot during these 2-day camps. The August Family Sail Sunday was held early in the month due to the CRAB Cup, and hosted 15 families totaling about 45 people. The park closed earlier than usual, so we were grateful to fit in as many guests as we did. Another returning event last month was the Off the Dock Happy Hour - a volunteer favorite! The next one is scheduled for 9/9 at the Boatyard Bar & Grill.

The **CRAB Cup** is coming up fast - next Saturday to be precise! We are very excited to party and see our friends and supporters again - outdoors. So far, 69 boats are signed up to race, if you've been waiting to register click the link below and get on board. We want have 100 boats sailing this year. Party tickets are available through the website - button also below. For more information on the Live Auction, Silent Auction, and Raffle [click here](#).

The Skippers Challenge has had some technical obstacles, but even so the competition is as fierce this year as always. There is still time to create a team through the new Skippers Challenge site, or you can donate to an existing team through the original site. (See respective buttons below). We are just over the halfway mark, pushing to reach the **\$90,000 goal!** Every skipper who raises over \$500 will receive a 2021 CRAB burgee to fly from their boat during the race. Top 5 fundraisers will receive a Helly Hansen jacket, engraved drink glasses, and a CRAB hat with Top Fundraiser on it.

NEW in 2021: A Poker Pursuit for our power boating friends and supporters! Take a selfie at 5 pre-selected locations and receive virtual playing cards to create a poker hand. Best 3 poker hands and worst hand will receive awards. Use the button below to register or to receive more information.
